

Long Lake Lodge Sporting Clay Safety and Conduct Rules

The purpose of these rules is to ensure that all activities are conducted in a safe manner as to protect individuals and the organization, while promoting the shooting sports activities. Our mission is to provide a safe shooting environment, educational experience and enjoyment for our members. Our goal is to protect our shooting heritage and to offer shooting opportunities for our members through education and instruction.

Safety Rules

1. ALWAYS treat all guns as if they are loaded at all times
2. ALWAYS keep firearms pointed in a safe direction
3. NEVER point a firearm at anyone at any time
4. ALWAYS keep the gun unloaded until ready to use
5. ALWAYS keep your finger off the trigger until ready to shoot
6. ALWAYS know your target and what lies beyond it

Eye and Ear Protection: All persons, **including observers**, will wear eye and ear protection when inside the fence on the sporting clay courses. Individuals assume all responsibility for any injury that occurs by not wearing eye and ear protections and agree to hold Long Lake Lodge harmless.

Loading the shotgun: Do not load the firearm until it is your turn to shoot. You must be on a designated shooting station for sporting clays.

Action open: Always carry your shotgun with the action open until you are in a designated shooting position or stand and ready to shoot.

Number of shells the in gun: Never load more shells than allowed as listed below. Loading more than allowed ammunition is grounds for removal from premises.

- **Sporting Clays:** Never more than 2 shells

Target Loads only: Only **Steel** shot is approved. Ammunition larger than 12 gauge consisting of 2 ¾" in length and 1 1/8 ounces of shot is **NOT** allowed. Only shot size of 6 - 9 are allowed. Shooting non-permitted ammunition is grounds for removal from premises. If you are in question about your ammunition meeting this requirement, please ask management to confirm.
